

## Ivory Dress, Jacket, and Belt

### Date

ca.1976

### Primary Maker

Albert Capraro

### Medium

fabric, thread, plastic

### Description

(a) A long-sleeved ivory jacket, with black flecks throughout, has a lapel-style collar and pleats on each side. (b) A knee-length dress made of the same material has a shirt-style collar and a vertical row of shiny, white buttons. (c) A sash made of the same material is tied around the waistline in a bow, giving the jacket a peplum-style appearance.

### Dimensions
