

## Wooden Hand Fan with Vessel Design

### Date

before 1976

### Medium

sandalwood, ivory, fabric, glass, metal

### Description

(a) A light-colored wooden hand fan, each rib is intricately carved to create an image of identical vessels against a background of curved line work. Semicircular pieces of carved ivory are affixed to the top of each rib. (b, c,

d) A narrow rectangular box with transparent glass on the top and sides has edges decorated by beige fabric with a red and purple pattern. The interior is cushioned with bright yellow fabric.
