

Basic Detail Report

Alpine Ski Christmas Ornament

Date

ca. 1999

Primary Maker

Nation's Treasures

Medium

glass, bronze, gold, twine, plastic, cardboard, ink, adhesive

Description

A vertical rectangular glass ornament features an image of a figure wearing white and purple ski gear positioned on top of a green sphere. A purple piece of curved glass is attached to both sides, and brass scrollwork is attached to the top. A metal plate that displays horizontal black text is attached to the bottom by two metal loops.
