

George Washington Christmas Ornament

Date

1975

Primary Maker

Alice Staley

Medium

felt, thread, padding, plastic, lace, twine, padding

Description

A Christmas ornament consists of pieces of felt stitched together to resemble George Washington's figure, in profile view. He wears a red coat, a white lace cravat, navy blue breeches, white stockings, and navy-blue shoes. Three clusters of red plastic beads decorate a green wreath that he holds. A golden loop is attached to the top of his head.
