

Illinois Central Gulf Railroad's The American Eagle Postcard

Date
06/1976

Medium
paper, ink

Description
A postcard features an image of a white train designed to look like an eagle; a beak is painted on the front, windows

on each side represent eyes, and an American flag motif on each side is shaped like a wing. The train is positioned at a slight angle on train tracks surrounded by gravel and dead grass. There is a blue sky with white clouds in the background.
