

Basic Detail Report

Silver Vase with Bird Motif

Date

before 1975

Medium

silver, fabric, wood, metal

Description

(a) A spherical silver vase decorated with a bird motif has a curved handle attached to a ring on each of its sides. It is supported by a circular base. (b) A tall box covered with

blue fabric is split in three panels. The panel in the center is cushioned with blue fabric, and each panel adjacent to it is lined with white fabric. One is decorated with a gold seal and the other has a diagonal red and green ribbon adhered to it.
