## Collection of Bead Necklaces

### Date

1976

### Medium

thread, fabric, plastic, glass

### Description

A black and white necklace features a white pendant with a yellow, red, and black symmetrical design. A pendant in the shape of an arrowhead with an image of an eagle on it

is bordered by red beads and hangs from a black cord. A pendant made up of multiple circles in a variety of colors hangs from a black and white beaded cord and has long tassels which also feature colored beads. A white pendant with a red circle and black lines bordering it hangs from a brown beaded necklace and features long, colorful tassels. A red, white, and blue pendant features a symmetrical design and hangs from a white beaded necklace. It features tassels in the same colors.
