

## Milkweed Pod Christmas Ornament

### Date

1974

### Primary Maker

Miss Jeanette Hawkins

### Medium

pod, plastic, paint, flower, twine

### Description

Half of a hollow sienna-colored milkweed pod contains a small plastic figure of a woman. She wears a long pink skirt and a white blouse as she balances a woven basket filled with produce on her head. Brown, yellow, pink, and red dried flowers are adhered to the bottom of the pod, near the figure's feet. A brown twig is positioned behind her. A loop made of black thread is attached to a small

hole pierced through the top of the pod.
