

Japanese Treasure Ship

Date
ca. 1974

Primary Maker
Asia Art Metal Manufacturing Company

Medium
silver, bronze, cord, glass, wood

Description
(a) A silver and bronze treasure ship, filled with various objects, floats on silver waves. It features a bow designed to look like a rooster with a long curvy neck. A round design surrounded by clouds decorates the sail, which is attached to the ship by thin gold cord. (b) A rectangular black plaque displays horizontal white Japanese characters; it is affixed to a glass display case's wooden

edge.

Dimensions

Overall H 8 3/4 in x W 8 in x D 5 1/2 in (22.2 cm x 20.3 cm x 14 cm)
